

**Списък на ЦИТИРАНИЯТА НА НАУЧНИТЕ ПУБЛИКАЦИИ  
на д-р Веселина Василева Узунова, дм**

**съгласно Приложение 8. 1.**

(Минимални национални и допълнителни изисквания към научната и преподавателската дейност на кандидатите за придобиване на научна степен и за заемане на академичните длъжности "главен асистент", "доцент" и "професор" по научни области и/или професионални направления)

**Цитирания в научни издания, реферирани и индексирани в световноизвестни бази данни с научна информация.**

**Цитирана публикация:**

A. Zheleva, A. Tolekova, M. Zhelev, V. V. Uzunova, M. Platikanova and V. Gadzheva, Free radical reactions might contribute to severe alpha amanitin hepatotoxicity – A hypothesis, Med. Hypotheses 69, 361 (2007)
