NOTIFICATION LETTER

From: Assoc. Prof. Dr. Lazarin Lazarov - Dean of the Faculty of Veterinary Medicine at Trakia University – Stara Zagora, Republic of Bulgaria.

Subject: Request for Acceptance of Students for Summer Internships

Dear Sir/Madam,

Based on the Decree of the Council of Ministers No. 17 dated January 28, 2016, regarding the adoption of the Ordinance on State Requirements for acquiring higher education in the specialty "Veterinary Medicine," as published in State Gazette No. 9/2016, and the curriculum approved by the Faculty Council of the Faculty of Veterinary Medicine (Protocol No. 7 / June 17, 2024), orders No. 38, 39, and 40 have been issued for the conduct of summer internships and pre-graduation practical training for students in the 3rd, 4th, and 5th years.

We kindly request your cooperation in accepting our students, who are of Greek or Cypriot origin, for their summer internships. The internships are scheduled to take place between July 1, 2024, and September 26, 2024. The students are assigned to conduct the training lasting from 2 to 12 weeks in the facilities of the Regional Food Safety Directorates, veterinary clinics, and farms in the Republic of Greece and the Republic of Cyprus, as detailed in Appendix 1.

Your support and collaboration in providing our students with the opportunity to gain valuable practical experience in your esteemed establishments would be greatly appreciated.

Thank you for your attention to this matter.

Respectfully yours,

Assoc. Prof. Lazarin Lazarov
